*** Advanced and Honors must take at least 2 Foreign Languages in succession. (Ex. Spanish I and II, or French I and II, etc.)

- Beginning with the Class of 2020, all students must pass one computer science course.
- All students who earn an Honors endorsement must take and pass four AP courses of their choice OR three AP courses plus earn a dual enrollment credit in a non-AP course. All students in AP must take the AP exam at the end of the course.
- Students enrolled in Gadsden State's Career Tech Dual Enrollment program can earn an Honors endorsement. One-year participants must take and pass at least two AP courses and two dual enrollment classes. Two-year participants must take and pass at least one AP course and three dual enrollment classes. Three-year participants must take and pass at least four dual enrollment classes.
- A student can earn a foreign language endorsement if they take and pass a minimum of three foreign language courses.
- A student can earn a fine arts endorsement if they take and pass a minimum of three fine arts courses.
- All students must have at least one online experience during their high school career.
- Students can receive a career and technical endorsement on their diploma if they pass all standard coursework and pass three career technical courses.
- All students must take four core classes each year unless approved by the administration.
